Reward Point Program

We are going to offer something we have never done at Sticky Wicket.

We will be using a **Reward Point Program**.

You'll be able to accumulate points until you hit 250 then you get a \$25 store credit.

All merchandise counts toward the accumulation.

Some Sales may be Exempt, and then you don't get credit for things purchased during that Sale.

Our accumulations don't expire so you can take as long as you need to hit the magic number. You can use your reward in any way you'd like. You can convert it to a gift certificate for a friend or family member, use it on gifts, fabric or toward sale merchandise.

Also, there is no limit. You may do this over and over.

However, beginning April 1, we will no longer give a 10% discount on fabric, books and fat quarters as we have in the past if you are doing the Reward Point Program. You may choose to get 10% off on fabric, but not be in the Reward Program.

We have new Saltbox Greeting Cards. Our stock was down pretty low, so get your cards while they're fresh.

Don't forget we still have fabric at 40% off in the back room.

March Webkinz Special. Buy a Webkinz or Lil'Kinz and we'll give you a package of Trading Cards at no charge.

The Mexico Village Square Association is having a special drawing for Easter. Visit participating stores (we're one) and look for a rabbit named "Tibbar" in the window of each store. Tell us inside that you found "Tibbar" and sign up for a drawing held on March 21.

We are working on several Strip Club Quilts.

We've made "Cactus Wreath" in blues and roses. The sample is hanging near the cutting table. ...and on the cutting table (we are working on it as you read this) we have "Kitty Kitty" Quilt in blues, greens and yellows. These two are \$35 per bundle and the pattern comes with it.

Also we have chosen the fabric and are cutting the strips for the "Stained Glass" Quilt. This is a scrappy quilt in gorgeous colors. Oh, yeah, "Stained Glass" is \$30 for the bundle of 50 strips and the book (that the pattern is in) is \$17.95 and if you buy the bundle, take 25% off the price of the book!!

Thimbleberries Club Big Quilt Project Kits for the Second Quarter are ready for pick up.

I hope to see you sometime soon.

Thanks,

Mona
